

Daily
Fit

The logo consists of the word "Daily" in a light gray script font. Below it, the word "Fit" is written in a similar script, but the "y" is a large, thick, orange cursive letter that loops around the "Fit" and extends upwards. A small orange silhouette of a person with arms raised is positioned below the "Fit" text. A gray line graph with an upward-pointing arrow is overlaid on the "Fit" text, showing a step-like increase.
